School Bills "up" 30%

How the Increase can be met.

In sympathy with everything else, School Fees have "gone up." The charges at Eton used to be £165; now they are £200 per annum, and it is estimated that the average increase of School Bills over the pre-war standard has been anything from 15% to 30%.

The problem of finding the funds for this higher cost of Education is causing serious concern to parents. The increase is making it impossible, in many instances, for parents to send their sons or their daughters to the schools originally chosen.

There is a very simple solution to the whole difficulty if it is faced early enough. Do not wait until the school age arrives, but, by commencing to make deposits each year while the child is still young, guarantee his fees being available when they are needed.

For example, parent, age 35, deposits £64 18s. per annum (less income tax, saving at 3/- in the £ £9 14s.—net premium £55 4s.) for 13 years on behalf of his boy, now one year old. When the boy reaches the age of 14, £200 per annum will be paid the parent for five years.

Several points must be kept in mind when making such an arrangement:—

(1) The Policy must enable income tax to be saved on the annual premium.

(2) Provision must be made that in the event of the father's death no further deposits are needed, but the Company will contribute instead an annual amount towards the child's preparatory education.

(3) In the event of the child's death before the policy matures, the parent or another child should be able to benefit.

(4) Facilities should be given for the Policy to be kept in force if at any time the annual deposit cannot be paid promptly.

All these advantages can be obtained through the Educational Policy of the Sun Life of Canada.

Larger deposits secure a correspondingly greater return. Smaller deposits—smaller returns. Adjustments can be made for different ages, different amounts or different terms of years. You can make a single deposit, five deposits, ten deposits, whatever number of deposits you like; satisfactory arrangements can be made to suit each individual case.

Here, then, is the ideal way of providing for the boy's education which relieves you of one great responsibility. It shields your boy against circumstances which might otherwise deprive him of a good education.

Why not make immediate enquiries? No obligation is incurred. The information is willingly given and only good can come of the enquiry.

ENQUIRY FORM—or Letter will do.

A LIEUT.-COLONEL'S ADVICE.

"I was dining last night with my Lieut.-Colonel, and he attributes his rapid promotion entirely to Pelmanism, and strongly advised me to take it up."

In giving this advice to his Subaltern—for it is a Subaltern who writes the above—the Officer in question is supported by the judgment of a very large number of Officers, N.C.O.'s and men who have worked through the Pelman Course, and have derived many benefits from the scientific mental training it provides.

A MAJOR-GENERAL writes:—

"I have the highest opinion of the system. I recommend it to all my friends and only wish I had taken it up fifteen years ago." (C.K.1026).

A COLONEL writes:—

"My memory has improved and is much more reliable. I have overcome mind-wandering and have reduced worry to a minimum. I have more self-confidence and have increased energy and will-power. I am more than satisfied with the Pelman System." (B.10611).

A LIEUT.-COLONEL writes:—

"Intellectually these exercises have given me a greater zest for everything—be it work or pleasure. Promotion has certainly been accelerated." (M.6392).

A MAJOR writes:—

"I regard the teaching given as the most interesting and stimulating I have ever received. I regard the Pelman Course as the best bargain I have ever made." (F.12096).

A CAPTAIN (R.A.M.C.) writes:—

"Since taking the Pelman Course I have recently been appointed to the senior and best post in this hospital, namely, charge of all the 'special' wards—surgical, medical, heart, phthisis, skin, etc. I find this very encouraging and consider it chiefly due to the benefit I have already derived from your excellent system." (R.10080).

A LIEUTENANT writes:—

"I have found your system invaluable during the last six months, during which time I have been acting as an educational instructor to my battalion. I now find it unnecessary even to take notes of my lectures, being able to memorise all the points of the subject upon which I am speaking without the aid of a single written word." (N.17006).

Pelmanism takes up very little time and is an extraordinarily interesting mental recreation.

Readers who would like to know how Pelmanism eliminates such weaknesses as Forgetfulness, Indecision, Diffidence, Mind Wandering, Weakness of Will, Self Consciousness, Indefiniteness, Lack of Initiative; and develops on the other hand:

Will Power	Self Confidence
Imagination	Presence of Mind
Initiative	A Reliable Memory
Personality	Organising Power
Observation	Concentration
Optimism	Conversational Power

should write to-day for a copy of "Mind and Memory." It will be sent, gratis and post free, with full particulars of the Pelman Course, to every one who applies to-day, either by letter or in person, to THE PELMAN INSTITUTE, 660, Pelman House, Bloomsbury St., London, W.C.1.

LOCAL, TEMPORARY & ACTING RANK, AND TEMPORARY COMMISSIONS, &c.

NOTE—The names of Officers appointed to temporary commissions, for service in regiments or corps are not shown in this list (vide also note on fly-slip.)

To avoid duplication of entries, &c., this list does not now contain the names of all officers gazetted to temporary or acting rank for service in staff or other extra-regimental employment or in regiments or corps. A reference to such temporary or acting rank, together with the dates thereof, is only entered against the names of officers in the pages referring to the employment for which the temporary or acting rank is gazetted.

Local, temporary, or acting rank (below that of Colonel) granted to officers whilst holding staff and other appointments, is not shown against their names in the lists referring to the regiments or corps to which they belong.

The names of officers holding honorary rank hitherto included in this list have been transferred to the Supplement to the Quarterly Army List containing the names of officers holding courtesy rank only. This list is in course of compilation.

FIELD-MARSHAL H.R.H. THE DUKE OF CONNAUGHT, K.G., &c.
H.R.H. THE DUCHESS OF ALBANY.

Subscriptions and donations in support of the Charity will be thankfully received by Messrs. Cox & Co., Charing Cross, London, S.W.1, by the Secretary, Major O. F. Duus, to whom crossed cheques and Postal Orders on the Charing Cross Post Office should be made payable.

The Home was constructed and is equipped for 200 girls, and the desire of the Committee is to maintain the full complement.

The need of such an institution is apparent from the fact that there are on an average three candidates brought forward at each election to every one admitted.

The Committee earnestly appeal to a generous public to aid them in the support of the Charity. They also ask for the co-operation in the good work of every Regiment and Corps.

A contribution of but 6d. a year from each Non-Commissioned Officer and Man throughout the Service would provide for the support of a child from every Regiment.

The Home is open to visitors daily between 10 and 5, except on Saturdays and Sundays.

The Committee invite the inspection of all friends of the Soldier.

GENERAL RT. HON. SIR N. G. LYTTELTON,

MILITARY WIDOWS' FUND, BRITISH SERVICE.

This Fund enables a British Service (Army) officer, by subscribing from Rs. 2 to Rs. 4 monthly, to assure, in the event of his death while on the Indian Establishment, immediate payment :—

To his widow — — — — Rs. 3,900 to Rs. 5,100
For each child ... ... — — ,, 300 to ,, 500

Payments are made immediately on receipt of report of death, irrespective of death occurring in or out of India.

The sum paid to the widow varies with subscription, and the sum for each child varies with age of child. Subscriptions are based on the pay of the officer.

Benefits are payable whether the deceased officer's family is residing in India or not.

It is to the advantage of an officer to join the Fund on his first tour of service in India, as otherwise, on joining it in a subsequent tour he would have to pay subscriptions for any previous tours in the country as a married officer.

The Fund (late Queen's Military Widows' Fund) was established in 1820, to assist families of British Service (Army) officers dying in India, and mainly to enable them to return home without delay.

The Fund is controlled by a Committee consisting of and elected by subscribing officers serving at Army Headquarters, Simla.

For admission and rules apply to :—

The Secretary,
Military Widows' Fund,
Army Headquarters, Simla.

ROYAL CAMBRIDGE HOME FOR SOLDIERS' WIDOWS.

HER MAJESTY THE QUEEN.

Lady President ... THE MARCHIONESS OF CAMBRIDGE.
President ... FIELD-MARSHAL H.R.H. THE DUKE OF CONNAUGHT, K.G., &c.
Chairman of Committee ... LIEUTENANT-GENERAL HON. SIR FREDERICK STOPFORD K.C.M.G., K.C.V.O., C.B.
Deputy Chairman ... COLONEL SIR AUGUSTUS FITZGEORGE, K.C.V.O., C.B.
Hon. Treasurer ... ... F. W. STEPHENSON, Esq., 440, Strand, W.C. 2.
Secretary ... LIEUTENANT-COLONEL A. C. PRYER, 5, York Street, St. James's Square S.W. 1.

This Home (opened in February, 1854) was founded in 1851, in memory of H.R.H. Adolphus Frederick, Duke of Cambridge, K.G., to provide a home for widows of Non-Commissioned Officers and Privates of the Army. They are not to be under 50 years of age, but there is no restriction as to religious persuasion.

Since its opening, 401 widows have been elected. There are 70 widows in the Home in addition to 15 widows receiving pensions. Each inmate has a furnished room, and receives ten shillings and sixpence a week and a monthly allowance for coal.

The funded income of the Charity yields only about £3,500 a year, while the estimated annual expenditure is about £4,200.

The Committee make an urgent appeal for additional subscribers, as every year a considerable number are lost through death.

Most Corps, Regiments and Regimental Depôts make annual subscriptions; but the Committee have also relied upon retired officers, and it is to them that a special appeal is made.

Every person subscribing half-a-guinea annually is entitled to one vote at each election, and a donation of five guineas secures one vote at each election throughout life.

TO INCREASE THE PROFITS OF THE CANTEEN

Install a Flugel Soda Fountain

NOW.

Mineral Waters are becoming more and more popular every day, but there are not many canteens benefiting by the demand as the wholesale price leaves such a small margin of profit in spite of the low cost prices.

Flugel's Soda Fountain will produce a delightful variety of fresh sparkling fruit drinks at the extraordinary low cost of 1d. per glass. Get a Flugel Soda Water Machine for the Canteen now, and in two or three months it will have actually paid for itself in half cash profits, which otherwise would not have been made. After that period you have a "money-coining apparatus"—a fact which has earned for this Machine the splendid reputation it merits. You can prepare a sparkling mineral drink of any kind desired in a fraction of a minute and a continual fresh supply of Soda Water is available at any minute of the day.

It has been proved that a Flugel Machine will show profits on Mineral Waters to the extent of 75 per cent. of present retail prices.

Write at once for the New Fully Illustrated Booklet of Flugel Machines to—
